

# IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

## TELLER COUNTY WSD#1

### High Levels of Combined Radium

Este informe contiene información muy importante sobre su agua potable. Tradúzcalo o hable con alguien que lo entienda bien.

Our water system recently violated a drinking water requirement. Although this situation is not an emergency, as our customers you have a right to know what happened, what you should do, and what we are doing to correct this situation.

We routinely monitor for the presence of drinking water contaminants. On August 31, 2021 we were notified that our system exceeds the maximum contaminant level (MCL) for Combined Radium. The MCL is 5 pCi/L. The average level over the last year was 5.8 pCi/L.

NOTE: This advisory is NOT related to COVID-19. The Centers for Disease Control and Prevention (CDC) has stated that the “Virus that causes COVID-19 has not been detected in drinking water.” For additional information on COVID-19 and drinking water, you can refer to the Colorado Department of Public Health and Environment’s website: <https://covid19.colorado.gov>.

#### What does this mean? What should I do?

- **You may want to use an alternative drinking water supply (e.g. bottled). If you have specific health concerns, consult your doctor.**
- Some people who drink water containing radium -226 or -228 in excess of the MCL over many years may have an increased risk of getting cancer.
- If you have an infant, severely compromised immune system, are pregnant, or are elderly, you may be at increased risk and should seek advice from your doctor about drinking this water. General guidelines on ways to lessen the risk of infection by bacteria and other disease-causing organisms are available from EPA’s Safe Drinking Water Hotline at 1-800-426-4791.

#### What is being done?

- The Water District has engaged with an engineering firm to help with the selection and design of the best treatment and disposal options.

We anticipate resolving the problem by **The goal is to have the project completed by mid 2023.** For more information, please contact **Lawrence Watters** at [wh2osllc@gmail.com](mailto:wh2osllc@gmail.com) or **719-338-5429**, or **PO Box 578, Woodland Park, CO 80866.**

*\*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.\**
